LAKE ERIE

COLLEGE Time-Payment PLAN DETAILS

The Lake Erie College time-payment Plan offers you the opportunity to spread your annual tuition payments, interest-free over a period 11,10,9, or 8 monthly installments beginning May 1, June 1, July 1 or August 1. The Plan years ends March 25, 2013.

We have provided a work sheet as part of the enrollment form to help you determine your monthly payment amount.

You may use the Payment Gateway found on the home page, under financial aid to make payments by credit card, or phone 440.375.7021 to use your credit card by phone. This is not an automated process, you will need to make a payment each month.

LEC TIME PAYMENT PLAN

For the convenience of our students and their families, Lake Erie College is offering the option of a time-payment plan for those wanting to make tuition payments on a monthly basis.

Beginning with the 2012-2013 academic year, this plan will be handled by the college with college personnel overseeing the plan.

The Lake Erie College time-payment plan is an interest-free alternative to a lump-sum payment at billing time.

- Payments may be spread over a period of months, interest-free.
- Enables students/families to borrow less by using current income and savings to make monthly payments.
- May be used in conjunction with PLUS and Alternative loans to reduce the dollars borrowed and the interest that will accrue on those funds.
