Lake Erie College offers fully online post-baccalaureate courses that lead to Mild-Moderate Intervention Specialist Licensure. These courses are designed for already licensed teachers, or those eligible for licensure, who are seeking to teach children in grades K-12 with mild-moderate disabilities and educational needs in a variety of inclusive settings.

**Requirements**
- A completed application
- An undergraduate degree in education from an accredited institution
- Official transcripts from all institutions attended

In addition to the online coursework provided by LEC, candidates seeking to add the Mild to Moderate Intervention Specialist Licensure are to:
- Have completed, or be concurrently taking, 12 hours of reading (including a phonics course) as required by the State of Ohio. We also offer these courses online, please contact Dr. Delavan for more information about Reading courses: kdelavan@lec.edu
- Provide evidence of having passed the Ohio Assessment for Educators Special Education Content Assessment (Test #043) exam as well as the Assessment of Professional Knowledge: Multi-Age (PK-12) (Test #004) or another OAE or Praxis II Pedagogy exam AND the Reading Foundations Assessment (Test #090).

*The reading courses and the OAE tests must be completed before LEC will sign off on this additional license after completing the coursework.*
