Internships: Linking the Classroom and the Workplace

The internship program at Lake Erie College is an experiential education opportunity that provides the link between the classroom and the workplace. It enables the student to increase the relevance of the coursework and enhance learning by providing the opportunity to apply classroom theory to practical experience. Internships are win-win for both the student and the employer.

Benefits of providing an internship:

- Fresh ideas and a new perspective
- Sources of highly motivated help
- Potential future employees
- Creates partnerships between higher education and local organizations
- “Just in time” support for full-time staff

Benefits of having an intern from Lake Erie College:

- Exceptional educational background
- Students who are highly motivated and eager to meet new challenges
- Liberal arts background to prepare for a lifetime of opportunities
- Sharpened skills of research, analysis and communication
- Education that emphasizes the importance of cultures and values

If you would like to discuss how the Lake Erie College Career Services department can assist you in launching an internship within your organization, please call:

Sarah Kostiha
Director of Career Services and Internships
