Off-Campus Housing Advertising Form

By completing this form, Lake Erie College agrees to publicize your rental property or living option for a donation of $10.00 which will be directed back to our student activity fund. By submitting this form, LEC will post your rental information on our Community Area bulletin board as well as include your rental information on our Off Campus Housing listing which is available to students. Your rental information will be available for a period of one year based on the date it was received by our office. If your property has been rented during this time then please contact our office so we can remove your listing.

The Student Life Office staff is willing to assist students through the off campus housing search. We encourage students who are looking at off campus options to remember that they are ambassadors for the College and that expectations do exist for behavior. We encourage students to get to know their neighbors in the community and form a positive relationship through communication. The Student Life Office does not monitor off campus residential student behavior. We trust that you will monitor your rental property appropriately and LEC does not endorse any particular student or group and will not be held liable for student behavior or any issues/concerns that occur regarding your rental property. In other words, you “rent at your own risk.”
