ABOUT LAKE ERIE COLLEGE

- **FOUNDED:** 1856
- **LOCATION:** Painesville, Ohio, 30 miles east of Cleveland. Close to business, cultural and entertainment activities
- **CAMPUS:** 53 acres, 18 buildings and a 96-acre equestrian center
- **COLLEGE DATA:** A coeducational, residential, four-year college
  - Student-faculty ratio is 14:1
  - Average class size is 16
  - 46% female, 54% male
  - 92% of courses offered have less than 30 students enrolled in the course
- **TRANSFER REQUIREMENTS**
  - If you would like to be considered for transfer admission to Lake Erie College, please submit the following:
    - An online application at www.lec.edu/admissions/transfer
    - An essay
    - One letter of recommendation
    - Transfer Reference Form (available at www.lec.edu/admissions/transfer)
    - Official transcripts from all colleges or universities attended. An official high school transcript must be submitted if the you currently hold an associate’s degree or higher from another accredited institution.
    - SAT or ACT scores are required for all transfer students who enter with fewer than 15 credits.
- **TRANSFER CREDITS**
  - Up to 96 semester hours (or 144 quarter hours) may transfer from a two-year or a four-year institution.
  - Generally, courses in which you earned a ‘C’ or better will transfer as long as there is a comparable course offered at Lake Erie College. Your GPA from any prior college work does not transfer to Lake Erie College.

- 21 NCAA Division II athletic teams
- More than 30 on-campus clubs and organizations
- Lake Erie College belongs to the Federal Yellow Ribbon Program for veterans. Qualified veterans will be eligible for tuition benefits.
The best way to discover if Lake Erie College is the right fit for you is to visit campus. During your visit, you will meet one-on-one with our admissions staff who can answer your specific questions about the transfer process. Schedule your campus visit by visiting our website at www.lec.edu/visit or by calling the Office of Admissions at 1.855.GO.STORM.

Transfer Tuesdays occur every Tuesday throughout the year. You can schedule yours today at http://www.lec.edu/forms/transfertuesdays/transfertuesdays.php.

Q. As a transfer student, when should I apply?
A. Lake Erie College utilizes a rolling admissions policy but recommends completing an application by November 1 for spring admission or March 1 for fall admission.

Q. What grade point average do I need to apply?
A. A minimum of 2.0 cumulative GPA is required for transfer student admission.

Q. Are there scholarships available for transfer students?
A. Transfer students who enroll full-time may be eligible to receive a Transfer Scholarship based upon your academic history.

Q. How will I know what credits transferred?
A. The transcript evaluation is part of the admissions process. Upon receiving your application and official college transcript(s), an official transcript evaluation will be completed and provided to you. Your transcript evaluation will outline which of your courses transferred for credit, and the courses you still need to complete in order to receive your bachelor’s degree. Lake Erie College will accept a maximum of 96 semester hours (or 144 quarter hours) from another institution.

Q. When can I register for classes?
A. You can register for classes after being accepted as a transfer student and paying the non-refundable $150 enrollment deposit. Registration for transfer students can begin as early as April for fall semester and the beginning of November for the spring semester.

Q. Is housing available?
A. Yes, Lake Erie College is a residential campus and housing is available for traditional-aged transfer students. After we have received your non-refundable $150 housing deposit, you will receive information regarding on-campus housing.

Q. Will military credits transfer?
A. Credits or certifications from military experience may be applied toward your bachelor’s degree. Please make sure all official military transcripts are submitted with your application for admission. DANTES and CLEP courses may transfer as well.
